OFFICIAL POLICY & DONATION TERMS AGREEMENT
PLATEAU STATE SDGs INITIATIVE

Governing Authority: Plateau State Sustainable Development Goals (SDGs) Office

Official Portal:
https://www.plateausdgs.org

1. PREAMBLE & MANDATE

The Plateau State Sustainable Development Goals (SDGs) Initiative operates to drive inclusive governance, transparency, and sustainable community development across all 17 Local Government Areas (LGAs) of Plateau State.

This Partnership & Donation Policy Terms and Agreement establishes the legal, operational, and ethical guidelines governing all financial contributions, in-kind donations, strategic alliances, corporate social responsibility (CSR) projects, and field partnerships.

2. EXPLICIT FORM SUBMISSION & BINDING AGREEMENT

IMPORTANT NOTICE: By filling out, checking any acknowledgment box, or submitting any online or physical **Partnership Application,** or **Donation Form,** associated with the Plateau State SDGs Initiative, you ("the Partner", "the Donor", or "the Organization") explicitly agree to be bound by all terms, conditions, and operational policies set forth in this document.

1. **Constructive Assent**: Submission of any form on [plateausdgs.org](https://www.plateausdgs.org) or via official digital channels constitutes digital consent and a legally binding acceptance equivalent to a signed written contract.
   2. Authority to Bind: Any individual completing or submitting a form on behalf of a corporate entity, foundation, non-governmental organization (NGO), or community group warrants and represents that they possess the legal authority to bind that entity to this Agreement.

3. ELIGIBILITY & ALIGNMENT CRITERIA

Targeted SDG Alignment: All proposed partnerships, field interventions, equipment donations, or financial grants must directly support one or more of the 17 United Nations Sustainable Development Goals (e.g., SDG 3: Good Health, SDG 4: Quality Education, SDG 6: Clean Water & Sanitation, SDG 8: Decent Work, SDG 9: Infrastructure & Innovation).

Compliance & Due Diligence: The Initiative reserves the right to perform background checks, compliance screenings, and Know Your Customer (KYC) verifications. The Initiative will not accept funding or partner with entities involved in money laundering, financial fraud, illegal acts, or human rights violations.

Non-Partisan Commitment: All projects executed under the SDG framework across the 17 LGAs are strictly non-partisan, public-interest initiatives intended solely for public welfare regardless of political, ethnic, or religious affiliations.

2. 4. DONATION & CONTRIBUTION POLICIES

4.1 Voluntary & Non-Equity Nature

All monetary contributions, material supplies, water reticulation assets, medical kits, or technical services provided are voluntary gifts or project development grants. Contributions do not confer political influence, commercial ownership, administrative control, or equity stakes over state or organizational assets.

4.2 Approved Payment Channels

To ensure complete fiscal transparency and auditability:

Monetary contributions must be processed via the integrated, secure payment gateways on plateausdgs.org or transferred into verified official Initiative bank accounts after partnership application has been approved.

Physical assets, relief materials, or building equipment must be formally inspected and logged by the project management team prior to field deployment.

3. 4.3 Fund Allocation & Project Tagging

Designated/Restricted Grants: Funds submitted for specific projects (e.g., solar borehole installations in Jos North, health outreach in Mangu, school renovations in Pankshin) will be deployed strictly for the designated initiative.

General Development Pool: Unrestricted contributions will be deployed to high-priority emergency community needs, real-time project telemetry, and monitoring infrastructure.

5. REFUND & PROJECT REALLOCATION TERMS

5.1 Non-Refundable Status

Because financial contributions are immediately committed to procurement, field logistics, contractor dispatch, and community distribution, **all donations and grant funds are strictly non-refundable once processed**.

5.2 Force Majeure & Project Reallocation

If a designated project location becomes inaccessible or impossible to execute due to severe environmental events, civil instability, or full external funding completion, the Initiative reserves the right to reallocate excess funds to an identical SDG initiative within another LGA in Plateau State, following formal notification to the contributor.

6. BRANDING, PUBLICITY & DATA TRANSPARENCY

6.1 Verification & Directory Listing

Formally verified partners and major donors will receive dynamic verification status on the **Plateau State SDGs Project Tracker** portal and mobile app, displaying project locations, beneficiary impact numbers, and execution status.

6.2 Trademark & Intellectual Property

Neither party shall use the official seal, trademarks, or proprietary collateral of the other without prior written consent. The Initiative retains exclusive rights to project photos, video walkthroughs, and progress data gathered during project monitoring.

6.3 Data Protection & Privacy

All personal data collected through partnership and donation forms will be stored and processed securely in compliance with the Nigeria Data Protection Act (NDPA). Donor details will not be sold, rented, or shared with unauthorized third parties.

7. LIMITATION OF LIABILITY & INDEMNIFICATION

Limitation of Liability: To the fullest extent permitted by law, the Initiative and its technical development teams shall not be liable for any indirect, incidental, or consequential damages arising from form submissions or partner field operations.

Indemnification: Partners agree to defend, indemnify, and hold harmless the Initiative, its officers, facilitators, and software administrators from any third-party claims, legal expenses, or liabilities resulting from the partner's breach of this Agreement or regulatory non-compliance.

8. GOVERNING LAW & DISPUTE RESOLUTION

This Agreement is governed by the laws of the **Federal Republic of Nigeria**. Any dispute, conflict, or interpretation issue arising from a partnership form submission shall first be resolved through good-faith, amicable negotiation between authorized representatives.

9. OFFICIAL CONTACT & INQUIRIES
